RE: Sub-Petition 1293-BPKP-01
Request for Extension

Dear Attorney Bachman:

The Connecticut Light and Power Company doing business as Eversource Energy (Eversource) received approval from the Connecticut Siting Council ("Council") on March 26, 2020 (Petition No. 1293). On January 11, 2021 Eversource was granted a one-year extension to complete the improvements associated with the above-referenced sub-petition by March 26, 2022. In its January 11, 2021 letter granting a one-year extension, the Council included conditions regarding the need for additional time to complete maintenance improvements on the above-referenced Sub-Petition based on the following condition:

- This extension is granted with the understanding that the Council will be notified should Eversource need additional time to complete maintenance improvements or decides not to proceed with construction.

The project continues to experience delays due to a number of factors and Eversource hereby requests that the deadline to complete these activities be extended to March 26, 2023.

Thank you for your attention to this matter. If you have any questions or comments, please call me at (860) 728-4532.

Sincerely,

Kathleen M. Shanley
